

# 1<sup>st</sup> Grade Field Trips 2012-2013

We are providing an overview of our field trips this year to help in planning ahead with work schedules and cost. All field trips are planned to correlate with the state standards and will enhance the children's understanding of these units of study. A permission form will be sent home with detailed information as each trip approaches.

**Total cost for field trips: \$32.00**

Money for all field trips will have to be collected at least **2 weeks** before the trip. We have to pay for the trip before we go, and the school doesn't have money to go ahead and pay and collect later. If your child hasn't paid by the date the money is due, he/she will not be able to attend. **We will not be able to accept money the day of the trip.** Money cannot be refunded if your child is unable to attend one of the trips, as the amounts of each trip are based on the number of students who plan to attend.

Please keep this in a safe place so you will be aware of when payments are due and trips that are coming up. If you plan to chaperone any trip, you must complete a form for a background check as all volunteers in our district are required to do. The cost of the background check is \$25. Contact the school office for more information: 429-1737. Cost for chaperones is the same as students.
